Extension Master Gardeners support Texas A&M AgriLife Extension Service by providing unbiased research-based, horticultural information to the public. By applying to become a Master Gardener you are expressing your willingness to support this community education through your volunteer service. You will also provide support to the Fort Bend County Master Gardeners through talents/skills which you may already have or are willing to learn.

Proficiency in gardening is not required, and we are looking for individuals that are ready to volunteer time to the Fort Bend County Master Gardener Extension Volunteer Program

Texas A&M AgriLife Extension Service provides equal opportunities in its programs and employment to all persons, regardless of race, color, sex, religion, national origin, disability, age, genetic information, veteran status, sexual orientation, or gender identity.
