Backyard Orchard

Date

11/08/2019

Name

Rose Ann Stepp

Email

stepproseann@gmail.com

Soil**Compost**

Added compost to bed in front of Iranian lemon tree and around Tennusoi pear tree.
Oct 16

Mulch

none

Plants**Added Plants**

added 6 snapdragons in front of Iranian lemon.heavy
Removed a Beauty Berry that was growing under the Ujukitsu and replanted in the same bed. Ujukitsu leaned to the left due to removal of Beauty Berry and weight of fruit,
Will need to prune after harvest.
Added a 13x3x2 box for a raised bed for blueberries which will be planted in Feb.

Dead Plants

none

Removed Plants

potted up one of the two papaya trees for winter protection. Left the other one to see how it would survive the winter.

Ailing Plants

none

Plant Pests

mites on cocktail grapefruit.
some leaf miners of citrus.

Pesticides

none
