

# FBMG Help Desk

## Question of the Week

**Is the helpdesk just for plant emergencies?  
What kind of questions will you help with?**

Answer: No not just for emergencies!  
We are available to answer a variety of questions.  
Let's look at some examples of some  
we have answered ....

Is testing my soil really that important?

Will Bluebonnets grow in my home garden?

What is this bug I sent a photo of?

There are caterpillars everywhere, in a web, in my tree what are they?

Every summer I struggle to maintain my grass I have seen & heard about xeriscaping. Should I replace my lawn with it?

Can I use Raw Chicken Manure on My Garden?

What can we do about gophers?

When is the best time to plant eggplant?

What is this weed I found it in my yard?

This yellow fungus was in my flower bed this morning, what is it, is it toxic, how do I get rid of it?

Are there aromatic plants that repel undesirable insects?

Does my Cape Myrtle need trimming?

How do I make my Pomegranates taste sweeter?

Ahmadillos are making a mess in my flowerbeds. Help!

Where should I put my african violet?
